Dear Mr. Weisberg :

With reference to our previous correspondence on the subject I take the liberty to inform you that I have not yet received the cuts and photostatic copies which you received from Mr. Malinowski several weeks ago. Mr. Malinowski wants them to be returned as soon as possible and I can but transmit you his desire. I am confident that the confusion which was caused by the removal of the office which was taking care of thesem things is over by now and would highly appreciate an early return of the cut and the copies.

Sincerely yours

Alexander Hertz
